QUALITY POLICY

KONTENA NASIONAL BERHAD is a Malaysian logistics services provider. We are endeavoured to providing quality services to our customers and stakeholders in accordance to principles of MS ISO 9001:2015 Quality Management System.

OUR QUALITY COMMITMENTS

- Provide on-time and reliable logistics services to our customers.
- Foster a transparent working environment with suppliers.
- Conform to all relevant legislation and statutory requirements, code of practices and industry standards.
- Empower employees to deliver quality services within a safe working environment and best practices.
- Strive to anticipate future business needs by implementing effective risk management including climate change actions.

Our drive for results creates togetherness to continually improve our processes and business system.

HAIRULNIZAM TOKIBAN
Acting Chief Executive Officer
Kontena Nasional Berhad
